

KAIJA TORKESEN

SUMMARY

Highly motivated and detail-oriented UI Engineer with 5+ years of experience in designing and developing scalable, user-friendly interfaces. Proven track record of delivering high-quality projects on time and on budget.

SKILLS

- Proficient in Vue.js for building reusable and maintainable UI components
- Strong understanding of JavaScript and its ecosystem, including popular libraries and frameworks
- Experience with SCSS for writing modular and efficient CSS code
- Familiarity with webpack for managing module dependencies and optimization
- Skilled in writing unit tests and integration tests for UI components using Jest and Cypress
- Strong understanding of web development best practices and accessibility guidelines

EXPERIENCE

SOFTWARE ENGINEER, ZENITH TECHNOLOGIES (2018-2022)

- Collaborated with cross-functional teams to design and implement UI components for a cutting-edge social media platform, resulting in a 30% increase in user engagement
- Developed and maintained a set of reusable UI components using Vue.js and SCSS, reducing development time by 40%
- Conducted code reviews and contributed to the improvement of the codebase, ensuring adherence to coding standards and best practices

UI ENGINEER, LUMINOUS LABS (2015-2018)

- Worked on the development of a responsive e-commerce website, implementing a SCSS-based CSS framework and integrating it with a JavaScript-based UI library
- Implemented automated testing using Jest and Cypress, increasing test coverage by 25% and reducing bugs by 15%
- Collaborated with designers to implement pixel-perfect designs, resulting in a 20% increase in user satisfaction

SOFTWARE ENGINEER, ORBITAL INNOVATIONS (2013-2015)

- Contributed to the development of a real-time data visualization platform, implementing a custom JavaScript-based UI library and integrating it with a SCSS-based CSS framework
- Conducted code reviews and contributed to the improvement of the codebase, ensuring adherence to coding standards and best practices

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, SILVERBROOK UNIVERSITY (2013)
